Related Notices

Credit Card Recorder
United States, Jul 23, 2014

Photogrammetric Scanner(s)
United States, Jul 19, 2014

Photographic equipment
United States, Jul 24, 2014

Characteristics:
A covert audio recording card that exactly or as close to exactly matches the form factor of a credit card and be able to accept a printed overlay that is detailed enough to be able to pass visual inspection by a casual observer.

Be disguised by printing of specific art-work directly on to the card, or by means of removable peel-off labels that can be prepared in a normal laser printer and changed as required.
